- National Poison Awareness Week (March 16 - 22)
- Kick Butts Day (March 19th)
- World Water Day (March 22nd)
- National Nutrition Month
- National Music in our Schools Month

National Sleep Awareness Week: March 2 – 9

March 2 – 9 is National Sleep Awareness Week, and healthy adults are supposed to get 7-9 hours of sleep each night. According to the National Sleep Foundation, children aged 5 to 12 require 9 to 11 hours of sleep a night and adolescents require 8.5 - 9.5 hours each night. Chronic loss of sleep has a cumulative effect on physical and mental health, can reduce the quality of life and productivity, increase the use of health-care services, and result in illnesses and injuries.

National Poison Awareness Week

March 16 – 22

More than 2 million poisonings are reported each year to the 57 poison control centers across the country. More than 90 percent of these poisonings occur in the home. The majority of non-fatal poisonings occur in children younger than six years old. And, poisonings are one of the leading causes of death among adults.

Kick Butts Day – March 19th

Kick Butts Day is an annual initiative that encourages activism and leadership among elementary, middle and high school students. It's the day America's kids stand up to tobacco, and America's adults stand up for kids. Kick Butts Day rallies and events take place in every state, and several nations, showing that kids are powerful voices in the fight against tobacco.

National Music in Our Schools Month

I admit that I am including National Music In Our Schools Month to the list because of my own, personal interest! My husband is a jazz guitarist, and I live in a home that is filled with music. I have an appreciation of all music and believe that is one of those things that connects all human beings with each other, regardless of age, ethnicity, gender, and ideology.
